

If you are concerned about the immediate and long-term future of the U.S. economy — as well you should be — and you favor implementing some sort of gold standard as a way of getting out from under the heinous Federal Reserve fiat paper system and into a stable currency, you should read this document, because

A Currency Using or Based On Gold or Silver Will Not Succeed!

Gold and silver have been promoted *ad infinitum* as the salvation for what ails America's monetary system, but the promoters never

duty to report treason, it stands to reason that in the eyes of the Supreme Law, *you have a duty to stop it.*

One's true intentions can never be completely disguised, because there is one thing about humans that always reveals their real motivations: their ACTIONS. As Matthew 7:16 puts it: *Ye shall know them by their fruits. Do men gather grapes of thorns, or figs of thistles?* TranslatorE18 Tm35.86 T O O 1 11h
